

## MEF is

A 501c3 non-profit supporting the greater Milford community through **educational opportunity, scholastic achievement and innovative programming.**

## That means

We offer GRANT FUNDING to support innovative **student-** and **faculty/ staff-led** initiatives and programs that enhance the experiences of our Milford Central School community!

## How?

Students/faculty/staff **identify** a need, **innovate** a solution, then **complete a grant application**; the application is **reviewed** by MEF with a focus on supporting initiatives that align with our mission; once approved, **MEF provides requested funds** to Grant Recipients to move forward with their projects!
